

Certificate of Accreditation

Reference number

MAA-NLD A-21-002

Pursuant to the Netherlands Military Aviation Authority (MAA-NLD) Policy on Accreditation of an Organisation not part of the Netherlands Ministry of Defence and subject to the conditions specified below, the MAA-NLD declares that

Terma A/S

Hovmarken 4
8520 Lystrup, Denmark

is accredited as a MAA-NLD Accredited Design Organisation performing identified services and activities applicable to those specific products in service with the Netherlands Ministry of Defence listed on the attached Overview of Accreditation

Conditions

1. This accreditation is valid whilst the MAA-NLD A-21-002 design organisation remains in compliance with its current Design Organisation Manual and its related procedures.
2. The MAA-NLD A-21-002 design organisation notifies the MAA-NLD in case of a change in its design and engineering scope and of significant changes regarding its organisation, key personnel and documented procedures. The MAA-NLD A-21-002 design organisation updates its documented procedures resulting from any change to regulations in a timely manner to ensure effective implementation and will inform the MAA-NLD accordingly. Notification e-mail address is MLA@mindef.nl
3. The MAA-NLD A-21-002 design organisation maintains a program of continued surveillance and internal quality monitoring.
4. The MAA-NLD is granted access to the MAA-NLD A-21-002 design organisation facilities.
5. As long as the MAA-NLD A-21-002 design organisation is in compliance with the foregoing conditions, this accreditation remains until December 31, 2022 unless the accreditation has previously been surrendered, superseded, suspended or revoked.

Place and date of issue

The Hague, 15 May 2019

For the Netherlands Minister of Defence,
the Director Military Aviation Authority

J.P. van Apon
Air Commodore

Overview of Accreditation

Reference number

MAA-NLD A-21-002

Scope of Accreditation

1. Products				
Class	Manufacturer	Type	Make/Model	Limitation
None				

2. Components

Componenten <i>Components</i>	C55		
	C56		
	C57 <i>Electronic Warfare</i>	99	

3. Performance Categories			
X	Design	Production	Maintenance
	Maintenance Staff Training School	Continued Maint. Management	Flight Operations
	Flight Crew Training School	Flight STD	Air Medical
	ATM Services	Air Navigation Services	Aerodromes
	ANS Staff Training School	Other:	

4. Scope of Services / Activities provided

Scope:
Design Support for electronic warfare components for military aircraft of the RNLAf in accordance with Terma Design Organisation Manual and underlying procedures, including classification and CVE-processes.

Activities:
Design and compliance demonstration for Electronic Warfare components with interfaces in order to enable integration certification by the NLD MTC-Holder into the applicable NLD aircraft.
These activities are aimed to support the NLD MTC-holder to obtain:

- Minor and Major Changes
- Minor and Major Repairs
- NTO (No Technical Objections)

Capabilities:

- Structural design
- Avionics design excl. software development

Note: Approved data for the design and certification activities to be obtained from NLD MTC-holder.

5. Artefacts	
Deliverables under the accredited 867978-HQ procedures:	Declaration of Design and Performance
	Means of Compliance
	Test Plans
	Test Reports
	Compliance Demonstration Reports
	Maintenance Manual
	Illustrated Parts Catalogue

6. Reference to other Organisation's Approvals issued in relation to above listed aircraft	
Approval number	Issuing Authority/Organisation
None	

Note:	
<p><i>The above listed services and activities are based on Terma's Design Organisation Manual 867978-HQ, revision C (26-11-2018) and its under laying procedures</i></p> <p><i>The MAA-NLD A-21-002 design organisation shall inform the MAA-NLD of any substantial change to the referenced document enabling the MAA-NLD to assess the impact of these changes on the issued Certificate of Accreditation.</i></p>
